## Buggies and Bonnets of Kalona

*Step back in time with a fascinating trip to Kalona. Leave behind the stress of today's world and savor the values, work ethic, and unpretentious lifestyle of an earlier age that comprises the Amish way of life and traditions of the Mennonite people. Our guided tour will provide an entertaining day traveling the scenic country roads and city streets, where we will see beautiful farm yards, magnificent hand-stitched quilts, and demonstrations of lost home arts. Bring a hearty appetite for lunch at a Mennonite home featuring all the traditional fare.\**
